### JAPAN'S ECONOMIC CRISIS SPEEDS CABLE MESSAGES

Time of Transmission Between Tokyo and America Decreased Materially Due to Slack in Business. Due to Slack in Business.

TOKYO, Oct. 11.—The economic crisis in Japan has had the result of mmensely quickening the time for transmission of cablegrams between Japan and the United States. A falling off in business means a less crowded cable, and message that took ten days and over during the war now go through in less than twenty-four hours.

The Ministry of Communications has canceled the war decree, giving the same person the right to send only one urgent cablegram per day. Apyone may now send an unlimited number of urgent messages. Such cablegrams are always restricted to ten words and cost three times the ordinary commercial messages.

### FRENCH FINANCE MINISTER SURROUNDED BY RED TAPE

Sum of 150 Francs.

FANTS, Oct. 11.—The immense emount of detail which must require action by French statesmen is shown by the fact that the signatures of the President, Fremier and Finance Minister are attached to a decree just published, allowing a collector for the Official Journal 150 francs a year for shoes and other equipment.

The Minister of Finance, M. Francois-Marsal, who is charged with the paccution of this decree, has been expected by the property of the proper
